Re: 1 Star to 2 Star Coaching

Dear Secretary,

The IABA is currently in the process of conducting a series of 1 Star Coaching courses. It is to be hoped that these courses will lead to a rise of coaching standards with ultimate benefits to clubs and boxers.

Obviously the next level for coaches will be to undertake 2 Star and 3 Star courses and we would hope that a number of coaches will progress to that level. However, the decision of Central Council is that all applicants for such courses must firstly receive IABA approval. This approval will only be given to those coaches who have demonstrated a commitment to the IABA and a willingness to pass on their knowledge as evidenced by their club activities over a period of time.

Yours sincerely
