Risk Assessment & Child Safeguarding Statement (CSS)

IRISH ATHLETIC BOXING ASSOCIATION

SAFEGUARDING RISK ASSESSMENT

CLUB NAME

The IABA wishes to inform Clubs that the recent full commencement of the ***Children First Act 2015*** now requires that a risk assessment procedure be carried out in relation to the potential for harm and abuse that could come to children while they are in our care and attending activities within our organisation.

Section 11 (1) of the Children First Act 2015 states that where a person proposes to operate as a provider of a relevant service, he or she shall, within 3 months from the date on which he or she commences as such a provider—

(a) Undertake an assessment of any potential for harm to a child (whilst in our care)

(b) By Mar 11th, 2018 IABA affiliated clubs will be required to display a Child Safeguarding Statement (Section 11 (1b))

Please note that in accordance with the requirements of Section 11 (1) the risk assessment is the risk of abuse to a child and not general health and safety risk.

Once this risk assessment process has been completed you must display, in a prominent position, the IABA Child Safeguarding Statement. This should be displayed in your premises where the promotion of our activities with children (less than 18 years of age) takes place.

Each Club must now discuss and complete this procedure at Club Committee/Board level and must record, sign and date when this took place. Please read the accompanying email notes before you complete this form.
