Dear Club Secretary,

On behalf of the President Anto Donnelly, and myself, I wish to invite you to the 2025 *Club Forum*. This is the first step in our renewed commitment to openness, engagement, and regular communication with our members.

The event is open to every affiliated club and provides the opportunity to debate, exchange ideas and elevate our sport, in a full day of in-depth discussion on youth development, coach education, R&J pathways, club support programmes, and governance. Up to four members of any affiliated club can attend.

Registration is available here <https://shout.com/s/0XzEc5Jd> and includes the facility for you and your club members to nominate topics for discussion that are important to you. Registration closes on November 10th.
