AGM REPORT
October 2025

Programme wide reviews

Culture Review

- Independent review of the culture within the HPU
- Sport Ireland facilitated
- 45 boxers interviewed, all staff and all sport science support staff
- Concluded in September - report being delivered this month
- Recommendations will be made and we will have to act on them

Selection process reviewed

- New selection proposals
- Will fundamentally change how the HP programme is populated and how teams are selected
- Draft proposals are circulating for feedback
- Submission to the Board at the end of October in draft form
- Out to the membership for consultation
- Published well in advance of the N.E. Championships in January

AGM REPORT
October 2025

Programme wide reviews

Operations, Training model and coaching methods

- Are we utilizing best practice?
- Is the programme model fit for purpose?
- Can we change in order to do better?
- Liverpool results and feedback suggests we need radical thinking
